

# Beretta ISSF Grand Prix 150

Hosted by Waikato clay target club 21<sup>st</sup> and 22<sup>nd</sup> July

A big thank you to Beretta NZ for sponsoring this event and it is really appreciated by the shooters.

23 shooters attended the event with entries from both islands and a number of new juniors along to have a go and just enjoy their shooting.

The weather was almost perfect clear skies and little wind, it did cloud over but light conditions were constant.

With 1 layout 5 squads shot 75 tgs each day .

Mike Vincent was leading after the first day on a 71/75 closely followed by Owen Robinson on a 70/75.

Day Two saw some more great shooting with some very good rounds posted.

Thanks to Beretta NZ for sponsoring a very generous prize table.

To the support of the shooters for the event thank you .
